It tells you just what you need to know, gives fantastic recommendations, talks about the real-world experiences, not just flowery tourist material, has great maps and wonderful photography. What more could you ask for? Oh, a free fold-out map in huge back! This isn't a thick book, and just gives a brief overview of things like history and religion, so if you're looking for that, there are other books that cover that. But if you want to know where to go, what to see (including off the beaten path places), where to eat, and how to get around, this book is for you. I've read all of the guides on Bali and this is my highest recommendation. 1 of 1 people found the following review helpful. A waste of money. Buy a travel guide, not this. By TSCThis is essentially a worthless guide to Bali and Lombok in my opinion. This was written for someone on a short, expensive trip to Bali or Lombok. I'm a traveler, not someone looking for touristy trappings. Now I know why this book was so CHEAP. It's priced at its value. 0 of 0 people found the following review helpful. Beautiful Bali By Kathy W. Good information including an assortment of color pictures. Not quite as compact as some of the books labeled as "best" sights or highlights but still reasonable size to tuck into my carry-on. Looks like it will be helpful in deciding our "must do" list of things to see and do.

The only guide you'll need for getting around Bali Lombok. Everything you need is in this one convenient package including a large pull-out map! Bali Lombok Tuttle Travel Pack is your passport to an unforgettable journey to Asia's favorite tropical islands. Author Paul Greenway is a seasoned travel writer and frequent visitor to these islands, and he recommends the very best places and activities from the dramatic cliff-top temple at Ulu Watu with its entrancing Barong dance, to the cool highland lakes of Bratan and Bedugul with their hot springs and lush greenery, to the trendy beach resorts and boutiques of Seminyak, the idyllic beaches of the Gili Islands off Lombok. This travel guide includes: Bali Lombok's top sights and activities, from the famous Tanah Lot temple on Bali's southern coast to Ubud's Sarawasti Palace, where the best traditional dances are performed. A series of 2-day and 3-day excursions covering each major region of these islands, with a series of personalized guided tours covering all the most important sights and temples. Personal recommendations by the author for the best services and facilities on Bali and Lombok the best hotels and resorts; the best shopping and restaurants; the best outdoor activities and traditional performances; the best kid-friendly activities and beaches; and more. Easy-to-use and easy-to-carry, this Bali travel guide is packed with fascinating information, handy lists, useful maps and photographs, and tips on how to make the most of your stay with limited time. The author provides pointers on getting around, basic Indonesian phrases, tips on temple ceremonies and etiquette, and essential travel facts (getting a visa, changing money, where to find the best hotels, food, beaches, and shopping). Extraordinarily useful and well thought-out, Bali Lombok Tuttle Travel Pack contains a large pull-out map at the back, making it your complete travel companion for an exciting journey of discovery.

"These books cover the touristy sites that you don't want to miss, but they also detail some of the more hidden spots. These travel books are easy to carry around and aren't loaded with a lot of information that I don't need. I also like that both guidebooks come with very detailed folded maps in the back. This makes getting around so much easier." This Way to Paradise blog "The author leverages his long familiarity with Bali throughout the book, something that's most apparent in Chapter 3 and his personal recommendations; you can't get a better first-timer's guide to Bali, considering its carefully curated picks of value-for-money activities and accommodations." Michael Aquino, About.com Travel From the Author I was delighted Tuttle offered me the chance to again write about my favourite part of the world. I wrote an edition of Bali Lombok for Lonely Planet and my first novel, Bali Oates (JoJo, Melbourne, 2013), is also based there. The Travel Pack covers all the popular and well-known places, such as Kuta, Sanur and Lovina, and also details some of the island's hidden gems, such as Pasir Putih (arguably the best beach on Bali) and Bedugul, a water-sports site on Lake Bratan developed entirely for Indonesian (not western) tourists. Also included are unique activities on Bali and Lombok such as luxuriating at hot springs inside a caldera at Gunung Batur; cycling around the car-free Nusa Lembongan island; and strolls through rice-fields minutes from central Ubud. From the Back Cover Everything You Need In One Handy Package ... This book is your passport to an unforgettable journey to two of the world's favourite islands. Author Paul Greenway, a seasoned travel writer and frequent visitor, recommends all the best places and activities - including the dramatic cliff-top temple of Ulu Watu with its entrancing Kecak dance; 'drive-in' volcano of Batur with its hot springs; trendy beach resorts and boutiques of Seminyak; idyllic Gili Islands off Lombok; and much more. Greenway leads you to places found in no other guidebooks, highlighting the unique sights and characteristics of each one.
