book I felt was deceiving, the font was very large, and it was lacking in pages. There were no color photos aside from the cover, and it did not give me any information that I could not find with a quick "Bali" google search. Sadly, I am returning. 0 of 0 people found the following review helpful. Good book. By Traveler Good info. Plenty of timely information, including maps. 0 of 0 people found the following review helpful. Five Stars By Jayne Carrels-Zeller Helpful

Bali, according to Hindu legend, was created at the beginning of time by nine gods, and its foundations were supported by an enormous dragon god. The legend further tells that the inhabitants of Bali will worship the gods till the end of time.
