By Jeffrey Huntington  
A large, very detailed map which shows enough of the bordering countries to provide orientation, but not so much as to shrink the area available for the Baltic states. (They could have pointed out the the map also includes all of Kaliningrad.) This becomes a wall-size map when unfolded, which is good for showing detail, but inconveniently large for walking around.  
4 of 4 people found the following review helpful. with good city maps  
By R. Swango  
Appears to be an up to date map of Lithuania, Latvia, and Estonia, with good city maps.

Brilliant map We're putting it to use even before we travel

Marco Polo maps feature completely up-to-date, digitally generated mapping. The high quality cartography with distance indicators and scale converters aid route planning. The extensive coverage of the maps enables travellers to cross country boundaries with the same map. A fold-out overview map is ideal for route planning and 7 self-adhesive Marco Polo mark-it stickers can be used to pin-point a destination or route for future reference. Scenic routes and places of interest are highlighted - ideal for touring holidays. The maps also contain a comprehensive index and inset street plans of major cities.
