If you are not in a rush, they have free city maps everywhere in Barcelona. 0 of 0 people found the following review helpful. These are the best :) By Jennifer McCann I travel with these pop up maps to every city I go. They are super handy reference for not only streets, but also the metro lines/public transit/etc. We used this map several times daily on our recent trip to Barcelona. 0 of 0 people found the following review helpful. Fantastic little maps By Tricia C. Walters Fantastic little maps. I have one for NY and Boston too and we're off to Europe so I wanted to take them along. But be warned, the type is very very very small. I had to go buy a magnifying thingy to take with. It's a very busy map and hard to see the writing and details.
