Race, and world news. This handy small \$20 book is always on my coffee table and gives me exactly what I need. When they publish a new edition I'll buy it! It has no extraneous historical maps, maps of constellations and such...just an excellent 'snapshot' of planet earth. 6 of 6 people found the following review helpful. For idiots like me

Who, despite travelling the globe, still forgets how to pronounce Bulgaria. I examined a number brands and this wee tiny atlas is the easiest to peruse and keeps me from embarrassing myself at dinner parties by saying Tanzania is where dracula lived.

A pocket-sized atlas of the world.
