1 of 1 people found the following review helpful. Quality book for learning the map and compass skillsBy TomThis book covers the basic use of map and compass very well. Easy to read and understand.4 of 4 people found the following review helpful. If you only get 1 topo book, get this 1By Elizabeth CookThis is a very good refernce book for anyone starting to learn maps. You will need a basic compass to finish it, but it taught me what I needed to know

and now I can read topo maps!2 of 3 people found the following review helpful. Great calculations.By Marie PaquetteExcellent
