Berkely Second Language Acquisition...this is high quality for the lowest price. Rare find in todays marketplace for language learning programs. Get with DVD, make sure you don't end up with the cassette. \$20 or less for complete nearly new or new.0 of 0 people found the following review helpful. French learnerBy LAKOverall this is a good book that tackles some of the tougher language issues (tenses etc), it's generally well organized, but it doesn't have an index. If you are looking for a specific phrase--good luck, you have to search by the general topics in table of contents.0 of 0 people found the following review helpful.
