**Ray Hosler : Bay Area Bike Rides Deck: 50 Rides for Mountain, Road, and Casual Cyclists** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Bay Area Bike Rides Deck: 50 Rides for Mountain, Road, and Casual Cyclists:

0 of 0 people found the following review helpful. Perfect/great/awesome! By Ruth Angela This is what my son in law said about this book. He is using it frequently and says he loves it. Even though we have GPS etc. and the Internet, it is still great to plan a trip with a map that gives helpful tips and suggestions. 0 of 0 people found the following review helpful. I'm also happy with the variety of rides/distances/points of interest in the ... By monica Just got this and though

I haven't actually been on any of the rides yet, I'm really impressed with the level of detail in the cards. I'm also happy with the variety of rides/distances/points of interest in the deck. My husband and I are looking forward to trying some of these out! 0 of 0 people found the following review helpful. The concept of individual cards is a novel idea, By eharrI thought that this was a book of Bay Area bike rides but it is a series of laminated cards each depicting a bike ride. They are durable so they are able to fit into your pocket so you can take the trail map with you.

Based on the successful Bay Area Bike Rides, in print since 1990, this handy deck makes touring the San Francisco Bay Area by bicycle a snap. Just take along a single card and have a route description, mileage log, and 4-color map at your fingertips!
