"Be Quiet Eat Your CHICKEN FEET!" is a compilation of short stories describing the adventure of a lifetime for the Jepson family, as told by the Dad who, incidentally, came up with the whole scheme to begin with. Dive into his funny interpretation of the World as they experienced it while traveling. Get the giggles as you read this story of family dynamics and ultimately, human survival.

About the AuthorR. K. Jepson is a cartoonist, an engineer, a lunatic, and a dad. Growing up in Las Vegas, Nevada, the desire to "Hit The Open Road" was ingrained deeply into his mental cortex thus perpetuating the insatiable wanderlust that he deals with today. When he is not traveling, planning a trip, or dreaming about a trip, you can find him watching college football, teasing his kids, or asking his wife stupid questions. The Jepsons call Texas their home today, but who knows where the wind will blow them tomorrow.
