The Grand Canyon State comes to life with this award-winning atlas. A recreation guide has sections for

campgrounds, boating areas, RV parks, and public golf courses, each fully indexed with amenity information. Benchmark's exclusive Landscape Maps give a 3-D effect to the land forms through color and shaded relief.

The scale is ideal for showing both local detail and regional features...with the most up-to-date information. -- Arizona Great Outdoors, Winter 1997
