Doron Klemer : Benfica to Brazil before purchasing it in order to gage whether or not it would be worth my time, and all praised Benfica to Brazil:

0 of 0 people found the following review helpful. I found this book thoroughly engaging and very easy to readBy judeDespite knowing absolutely nothing about soccer, I found this book thoroughly engaging and very easy to read.0 of 0 people found the following review helpful. Motivation to be brave and gutsyBy BriantheLoughGreat read. Very cool story and with such a great scope.2 of 2 people found the following review helpful. Well anchored travel story. Great read.By Morris MasselA great travel story needs to be anchored in something that the author is passionate about.

Klemer's passion for soccer/football is clear. It creates a terrific framework for him to tell the exciting story of his journey. Even if soccer is not your thing, the author's funny observations (e.g., is it legal to pee in a London policeman's helmet), rants about soccer/football and eye for detail carry you through this delightful memoir. Not everyone gets to travel like the author; for those of us who cannot, this is delightful substitute. Great read.

"One Olympics, three World Cups, a dozen countries, and a thousand stories." 'Benfica to Brazil' is the book of one man's travels as he follows the FIFA World Cup and his passion for people, sports and adventure around the world. From England to Italy, Spain to South Africa, Japan to Germany, join him as he travels across the globe learning languages and exploring cultures, as well as meeting the fans that make football what it is.

About the Author A UK citizen by birth, Doron has been travelling the world following languages, sport and the sun since 2000. He has been published on four continents in magazines, websites and blogs, whilst his blog on literature and travel celebrated its 20,000th hit in 2015, and his new blog promoting the book 'Benfica to Brazil' had 7,000 viewers in a single day. His two biggest passions in life are writing and sports, and in 2014 he moved to Brazil to combine the two and write a book on his experiences at the World Cup. You can find more of his writing at his blog: www.doronklemer.wordpress.com
