before purchasing it in order to gauge whether or not it would be worth my time, and all praised Berkeley Guides: Paris:
On the Loose, On the Cheap, Off the Beaten Path (On the Loose in Paris):

0 of 0 people found the following review helpful. Still come back to this oneBy A CustomerI have lived in Paris for over two years, but this guide remains my favorite for restaurant ideas, bars, cafs, and days I just want to change my neighborhood. While prices are in francs, and some of the stuff about bar and club trends is a bit dated, it's still the best resource I've found besides word-of-mouth for how to see the City of Lights on a budget. The restaurant suggestions are especially well-chosen.

This guide includes the best inexpensive restaurants and lodgings in Paris, plus the latest on the art, music and theatre scenes. It covers all of Paris and the Ile de France, with a section on day trips to such places as Versailles, Orleans and Rouen.
