Lonely Planet : Berlin City Map (Travel Guide) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Berlin City Map (Travel Guide):

2 of 2 people found the following review helpful. But it is detailed and easy to read with train and metro stops indicated. By Martha Vickery The map is not laminated, as I mistakenly thought it would be, nor does it cover all of Berlin -- just the central part and portions of outlying neighborhoods. But it is detailed and easy to read with train and metro stops indicated, so it will be useful for my trip even if the neighborhood I will be staying in isn't well covered. 3 of 3 people found the following review helpful. Lonely Planet on Berlin is a gem of a guide. By Customer We used this guide for two weeks in Berlin, then passed it on to relatives who were staying on there. It is as well organized, easy to use and worthwhile as a guide could be. Virtually every restaurant recommendation we took from it turned out to be superb. In one case, Cafe Jacques, we were asked by the restaurant waitstaff and other diners how we found this excellent, but somewhat hidden Kreuzberg neighborhood eatery. The book made everything easy to find and quick to get to. I would give it five stars. 0 of 0 people found the following review helpful. Five Stars. By Nemesis We loved it

About Lonely Planet: Since 1973, Lonely Planet has become the world's leading travel media company with guidebooks to every destination, an award-winning website, mobile and digital travel products, and a dedicated traveller community. Lonely Planet covers must-see spots but also enables curious travellers to get off beaten paths to understand more of the culture of the places in which they find themselves. The world awaits! Lonely Planet guides have won the TripAdvisor Traveler's Choice Award in 2012, 2013, 2014, 2015, and 2016. 'Lonely Planet. It's on everyone's bookshelves; it's in every traveller's hands. It's on mobile phones. It's on the Internet. It's everywhere, and it's telling entire generations of people how to travel the world.' -- Fairfax Media 'Lonely Planet guides are, quite simply, like no other.' - New York Times

Sherman's Travel, April 2007'...Encounter guides...discreet in size, but generous enough on page count to provide a fuller city experience minus the hefty guidebook load.' From the Publisher Who We Are At Lonely Planet, we see our job as inspiring and enabling travelers to connect with the world for their own benefit and for the benefit of the world at large. What We Do * We offer travelers the world's richest travel advice, informed by the collective wisdom of over 350 Lonely Planet authors living in 37 countries and fluent in 70 languages. * We are relentless in finding the special, the unique and the different for travellers wherever they are. * When we update our guidebooks, we check every listing, in person, every time. * We always offer the trusted filter for those who are curious, open minded and independent. * We challenge our growing community of travelers; leading debate and discussion about travel and the world. * We tell it like it is without fear or favor in service of the travelers; not clouded by any other motive. What We Believe We believe that travel leads to a deeper cultural understanding and compassion and therefore a better world.
