A lot of good ideas when you really want to visit Berlin off the trackBy aleks whyteLittle book, very useful because not only talking about mitte and the city centre but also of wedding and others great places in Berlin. For art lovers (as i am) I just loved the cultural tips about galleries1 of 1 people found the following review helpful. Berlin for FreeBy Kristina KpaxTraveling in Europe doesn't have to cost an arm and a leg...or the entire contents of your wallet. Having to pay fees to "experience" Berlin culture is one less thing you need to worry about. This guide contains places where "Free Admission" is standard. By no means does this booklet claim to be complete, it also welcomes information left out on free experiences and encourages feedback. Other great Berlin themed books/guides by Berlinica include:The Berlin Cookbook. Traditional Recipes and Nourishing Stories. The First and Only Cookbook from Berlin, GermanyWallflower: A Love Story from BerlinBerlin in the Cold War: The Battle for the Divided City; the Rise and the Fall of the Wall.Berlin for Young People: A Travel and Sightseeing Guide for the Student and the Adolescent Traveler to Berlin, With the Best Walking Tours and Hostels of the City, Updated EditionJdisches Berlin. Kultur-Karte (A Map to Jewish Culture, History, People Places in Germany's Capital)Berlin Wall Trail: Cycling Guide - A Route for Cyclists, Hikers and Skaters Along the Path of the Former Berlin Wall - BIKE.046.E (Cycline)0 of 0 people found the following review helpful. useful nuts-andbolts guideBy Berlin to BrooklynThis little book is a excellent guide for any traveler to Berlin who needs to save money, including those with children (although it seems mostly to cater to the hostel crowd). It is one of those nuts-and-bolts guides that basically lists places, addresses, and phone numbers en masse (and also websites) without much ado. It is also light enough to carry, and slim enough to be stuffed into any bag. It also gives you many ideas where to go, even in far-fetched places like Mariendorf. The publisher, Berlinica, is specialized on Berlin books, they also have Berlin for Young People: A Travel and Sightseeing Guide for the Student and the Adolescent Traveler to Berlin, With the Best Walking Tours and Hostels of the City, Updated Edition, also a nuts-and-bolts-guide for the student generation as well as novels such asWallflower: A Love Story from Berlin.

Discovering Berlin has never been easier with this invaluable guide for the frugal traveler. This book has neatly arranged the best no-cost opportunities for kids and grown-ups alike. A wide variety of easy-to-find activities such as concerts in the park, films, tours, exhibitions, sporting events, and street fairs are included. More than 200 up-to-date addresses, phone numbers, and websites that have been fact-checked round out the useful information.

[Berlin for Free] is an investment that pays for itself. Berliner Kurier
