Berlitz Publishing : Berlitz Danish Phrase Book Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised Berlitz Danish Phrase Book Dictionary:

4 of 4 people found the following review helpful. Have used the Berlitz Phrase books for 40 years.By Boat School 67Highly recommended. Throughout my career overseas and during vacations, I have relied on these little phrase books from Japan to Europe. Concise, easy to carry, and full of information. The best solution to helping get by in a country, whether you speak their language or not. Inexpensive as well, for the amount of information packed in there. Sturdy: my Japanese phrase book is 40 years old and still holding together.5 of 5 people found the following review helpful. Five StarsBy Dyrellee AllemanIs a nice refresher.

A fresh, crisp new design re-launches this perennial bestseller. More user-friendly thanks to improved color-coding

and new categories, this is the phrase book created by the people for the people.
