Berlitz Publishing : Berlitz Dutch Phrase Book CD before purchasing it in order to gauge whether or not it would be worth my time, and all praised Berlitz Dutch Phrase Book CD:

0 of 1 people found the following review helpful. Then once I learned a few basic phrases such as "I would like..By C. Hansen It was difficult to find the phrases I wanted to use in the book. Then once I learned a few basic phrases such as "I would like . . ." or "Where is the . . .", I would then go to the dictionary section and the words I wanted to use were not listed.

This fully revised edition features a fresh, crisp new design with stunning images, improved color-coding, and user-generated content, making it the phrase book created by the people for the people!
