From Brand: Berlitz Publishing : Berlitz French CD Pack with Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Berlitz French CD Pack with Book:

0 of 0 people found the following review helpful. Three StarsBy Jasongood0 of 0 people found the following review helpful. Great!By Ins T.Great!53 of 56 people found the following review helpful. Wonderfully writtenBy TLPThis is an excellent crash course in the french language. It not only allows you to hear the pronunciation of words, it also allows you to group conversations in relevant categories such as restaurants, travel, tourism, etc. I recommend this to those who need a quick course in French prior to travel, etc.

From ordering croissants to asking for directions to the Eiffel Tower, learn basic French words and phrases easily and quickly. This popular series helps ensure a more enjoyable, successful, and rewarding trip. Practice pronunciation and listening comprehension before you leave, then take the book along for an optimal travel experience.

About the AuthorIn January 2003, the renowned Berlitz Publishing became part of the Langenscheidt Group. The Langenscheidt Publishing Group, the premier group of map and travel companies, offers over 4,000 North American and international street maps, road maps, atlases, language-learning, bilingual dictionaries, and travel-related products covering countries, cities, and languages in every continent.
