You must read along with the CD. I was hoping to listen to this in my car, but I have a hard time know what they are saying without reading along.

Bought for my elderly in-laws. Inexpensive tool for their trip. Especially useful is the included "cheat sheet" of useful phrases. CD also helps you practice frequently used phrases. My frugal father in-law practiced "Combien a cote?"!!!!

great tutorial, I appreciate the CD because French is so difficult to pronounce well.

A fresh, crisp new design re-launches this perennial bestseller. More user-friendly thanks to improved color-coding, new categories and updated CD, this is the phrase book created by the people for the people.
