Berlitz Guides : Berlitz Hebrew Phrase Book Dictionary (Berlitz the Language of Travel) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Berlitz Hebrew Phrase Book Dictionary (Berlitz the Language of Travel):

The ink is low contrast with the not very white paper. In combination, these factors make it beyond difficult to see the tiny diacritical marks in the text. It's really a total fail. I won't be able to get any use out of this book, and I am buying a competing product. This was a total

waste of money for completely avoidable reasons. I can't even comment on the content of the book because it is too difficult to access. 0 of 0 people found the following review helpful. For Brits By P. B. Belkowitz Well, if you're British this book is good. But if you're an American, don't buy it. They translate the Hebrew word flashlight as 'torch', Band-Aid as 'Plaster', and bathroom as 'Lue' or Loo. Many other words are "British". Don't buy it. 1 of 1 people found the following review helpful. Great phrase book By mna This phrase book is excellent to learn or use conversational Hebrew. My only problem is that the font is small and that makes it hard for me to read. I wish it came in a larger size book.
