Berlitz : Berlitz Italian Phrase Book CD before purchasing it in order to gage whether or not it would be worth my time, and all praised Berlitz Italian Phrase Book CD:

11 of 11 people found the following review helpful. OK starting point. Don't understand the open ended questions.By Mae AdamsonThis product is a good starting point for people like me who know absolutely no Italian and don't plan to be in Italy for an extended period. It gives a little overview and familiarizes the reader with phrases and situations they are likely to encounter.However, I think a little more care could have been given to the practicality of the lessons. Many of the phrases are open ended questions that an English speaker would address to an Italian speaker-in Italian. Which is great, but I would bet that a person using this book to ask for directions to the nearest tourist information center, for instance, would not understand an Italian speaker who responded with simple directions. Instead of just teaching the traveler a series of questions, Berlitz could also have introduced words that would be used in an answer like, "left", "right", "straight", "turn", "street", etc. The book teaches the reader a series of questions to which they cannot possibly be expected to understand the answers.In another part of the book, emergency phrases are discussed, including Italian for "I am innocent". Nowhere in this book, however, do the writers tell the reader how to say "I need to contact the American consulate!". I would think that if one is in a situation where one feels the need to declare their

innocence, they probably also need to know how to contact someone who can help them. This book begs for more practical scenarios, phrases and vocabulary. 7 of 7 people found the following review helpful. Excellent beginners' Italian program for travel. By Radio Girl. Excellent first level Italian to become familiar with the language and learn simple phrases to use while traveling in Italy. CD helps to hear the correct pronunciation of the words. 1 of 1 people found the following review helpful. OK But did not learn much before we left. By Stephen Michael Rose. OK But did not learn much before we left. Wish I had but politeness and smiles go along way in Italy

The Berlitz Italian Phrase Book and CD offers the most up-to-date, relevant content in both print and audio formats to help any traveler build a basic Italian vocabulary. The completely revised and redesigned Phrase Book contains hundreds of useful travel-related phrases - from saying hello to making a hotel reservation to shopping - and the user-friendly book is color-coded to provide easy navigation between sections. Also included are practical, full-color photographs, an extensive menu reader, and an English-Italian dictionary. The accompanying audio CD is narrated by a native speaker using a listen-and-repeat approach that helps the traveler acquire and retain new vocabulary. Whether traveling abroad for business or pleasure, the hundreds of travel-related expressions and the convenient, compact format make the Berlitz Italian Phrase Book and CD a suitcase essential.
