Perfect size for taking with you on trips. Easy to read and understand.For another great product, check out Job Hunting Ninja Master 2017: The art of job searching, resumes, interviews and negotiating salary for US government and corporate jobs0 of 0 people found the following review helpful. I would have loved to see the pronunciation of the Italian word thereBy Keys KritterNot sure if I will keep this or send it back. I ordered this based on the reviews, but I think it is poorly organized, and has a

very very small dictionary section. In the English-Italian dictionary session, I would have loved to see the pronunciation of the Italian word there, rather than hunt for it somewhere in the beginning pages of the book.0 of 0 people found the following review helpful. Excellent phrasebookBy Parlan McGawExcellent phrasebook.

A fresh, crisp new design re-launches this perennial bestseller. More user-friendly thanks to improved color-coding and new categories, this is the phrase book created by the people for the people.
