Berlitz Guides : Berlitz Japanese Phrase Book (Berlitz Phrase Book) before purchasing it in order to gage whether or not it would be worth my time, and all praised Berlitz Japanese Phrase Book (Berlitz Phrase Book):

22 of 23 people found the following review helpful. Indispensible aid to communicating in JapaneseBy Silver SpringerThis phrasebook was used as a "textbook" by a Japanese student who tutored me in Japanese before a recent trip to Japan. It contained many helpful phrases for a lot of situations you will encounter when traveling in Japan. I consider this critical for "survival Japanese"--contrary to what you may have heard, everyone does NOT speak English. I used this book in talking to cab drivers, making a train reservation, ordering food, asking directions, making purchases. I gave this four stars instead of five because this lacks some elements you need to be understood. The

biggest one is knowing how the Japanese accent words. Also missing was the discussion of the differences in using different numbers for different objects. I was able to "fill in the gaps" from my tutor and the Pimsleur Japanese tapes. All in all, a great reference book for travelers. 0 of 0 people found the following review helpful. The Best Japanese Phrase Book for Americans By Leni As with other languages Berlitz chooses the phrases that are the ones Americans would use in a foreign country. Coupled with the words in Japanese one can become familiar with important words like; entrance, exit, this way, danger, bathroom etc. 0 of 0 people found the following review helpful. Great things come in Small packages! By H.H This is a great little book. I like how it's small enough to fit in a purse and each of the sections are color coded. I will not be using this for myself but my little brother will be using this book for his Japanese classes.

This best selling phrase book series contains a color-coded system that makes words and phrases easy to find. It is broken down by basic expressions, arrival, hotel, eating out, sightseeing, relaxing, shopping guide, bank, mail, telephone, doctor, reference sections, grammar and dictionary. It also includes handy travel information, tips and much more.

About the Author In January 2003, the renowned Berlitz Publishing became part of the Langenscheidt Group. The Langenscheidt Publishing Group, the premier group of map and travel companies, offers over 4,000 North American and international street maps, road maps, atlases, language-learning, bilingual dictionaries, and travel-related products covering countries, cities, and languages in every continent.
