By Customer
I will use this on my 8 week SOLO Spring Fling when searching my roots. The size is perfect and the format is user friendly. It is up to date so it will be easier to understand locals. The focus is on phrases and words
Different sections include the basics { food+drink/ leisure time/ health +emergencies/dictionary } and more: You may see/ Tickets/ accepting+ rejecting /you may hear. I am sure it will be invaluable in Hungary/Slovenia/Croatia and the Czech Republic.

By sarah2012
This book worked great for those situations where I was in the country side and just needed to get across a few words though.
Important Note: Eastern Estonian is different from what is spoken in Tallinn and is closer to Russian. The locals can get a bit pissed if you speak traditional Estonian (which is all that's covered in this book) to them in Narva.
