**Berlitz Publishing : Berlitz Latin American Spanish Phrase Book Dictionary (Spanish Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Berlitz Latin American Spanish Phrase Book Dictionary (Spanish Edition):

3 of 3 people found the following review helpful. Useful phrase book By green guy A foreign language phrase book is a

subjective item. This one is well organized and covered most important phrases, but had sections that were no use to us.. The pronunciation help was useful, but cannot compare with an introductory course in a language. It is too large to carry in a pocket, so it was not always with us. This book was recommended to us by one who thought that it was the best of several that she had seen. 1 of 1 people found the following review helpful. Not what I expected.
