Mandarin is too difficult to learn on the fly from a bookBy RandyI'm a big fan of the Berlitz phrase book series and have used them extensively in my travels but if your main language is English this book isn't worth it without any prior knowledge of Mandarin. I don't think its any fault of the books its just that the romanization system and pronunciation of Mandarin is extremely difficult, too difficult really to pick up from a book let alone a phrasebook for a quick trip.In the case of Mandarin you'd be a lot better off starting with some free basic audio lessons and then maybe get the book to reinforce them if you want.0 of 1 people found the following review helpful.
